

LIFE supports HP forest department in training of forest officials

Legal Initiative for Forest and Environment supported the Himachal Pradesh Forest Department for effective enforcement of wildlife law. Dr. R. K. Singh, Trustee of LIFE visited the institute as a guest faculty. The training was imparted on provisions of the Wildlife (Protection) Act, 1972 to the 50 trainee forest guards of various forest divisions of the state who are undergoing for 6 months mandatory induction course since April 2018. There were 8 female forest guards in the 29th forest guard batch. The two day training was conducted on 10th and 11th September 2018.
